Director of the U.S. Patent and Trademark Office
Washington, D. C. 20231

Sir:

Further to the Preliminary Amendment filed September 21, 2001 and prior to initial examination, please supplementally amend the above-identified application as follows:

IN THE CLAIMS:

Please add new claims 92-110 as follows:

--92. A method of assembling an ink sheet cartridge, comprising the steps of:

attaching a spool to each of two ends of a supply-side core tube;

attaching a third spool to one end of a take-up side core tube having two ends;

and

attaching an intermediate connector to the other end of the take-up side core

tube;

attaching the intermediate connector to a fourth spool supported on a cartridge body so that rotation of the intermediate connector integrally rotates the take-up side core

tube;

supporting the three spools on the cartridge body.--
